

It's a small world: Sometimes you meet the same people in an unexpected place or find out that they are connected to people you know. The words 'It's small world', are used to show your surprise on such an occasion. In this poem, the words are used to tell us that all human beings are alike.

'It's a small world'... is a very popular song, translated into many languages. This song is played on a ride of the same title in Disneyland.
