"Nothing. This is the end," said the story-teller.

"Tell me a story that has no end. I want a never-ending story."

The story-teller thought and thought. All his stories had an end.

He could not think of a never-ending story.

Then he had a bright idea. He began to tell a new story.

"Once there was a king. He lived in a big palace.

The palace had a big kitchen and a big storehouse.

There were big heaps of grain in the storehouse.

There was a hole in the wall of the storehouse.
