A Never-ending Story

1. Listen carefully and read with me.

غور سے سنیے اور میرے ساتھ ساتھ دہرائیے۔

Once there was a king.
He loved stories.

“Tell me a story!” he said all the time.

At the end of the story, he said,
“And then? What happened next?”

“Nothing. This is the end,”
said the story-teller.

“Tell me a story that has no end.
I want a never-ending story.”

The story-teller thought and thought.
All his stories had an end.

He could not think of a never-ending story.

Then he had a bright idea.
He began to tell a new story.

“Once there was a king.
He lived in a big palace.
The palace had a big kitchen and a big storehouse.
There were big heaps of grain in the storehouse.
There was a hole in the wall of the storehouse.

A little sparrow saw the hole,
and swiftly flew inside the storehouse.
Then she picked a grain and flew away.”

“What happened next?” said the king.

“Then another sparrow saw the hole,
flew in, picked a grain and flew away.”

“Oh, and then ?
What happened next ?”

“Then a third sparrow saw the hole,
flew in, picked a grain and flew away.”

“And then ?”

“Then a fourth sparrow saw the hole....”

The story went on and on like this.

Even now, the story-teller is telling the king
this story about the grains and the sparrows.

If you don’t believe me, you can go there and
see for yourself.
