

17. Curiosity

Tell me, tell me everything !
What makes it Winter
And then Spring ?
Which are the children
Butterflies ?
Why do people keep
Winking their eyes ?
Where do birds sleep ?
Do bees like to sting ?
Tell me, tell me please, everything !

Tell me, tell me, I want to know !
What makes leaves grow
In the shapes they grow ?
Why do goldfish
Keep chewing ? and rabbits
Warble their noses ?
Just from habits ?
Where does the wind,
When it goes away, go ?
Tell me ! Or don't even grown-ups know ?

- **children butterflies** : young ones of butterflies.
- **warble** : twitch or wiggle very fast.

Things to do :

1. List any five questions that the child in the poem has.
2. List any three other questions about birds, animals or natural things that you have.
3. Where can you find the answers to your questions ? Write any 2 sources.
