1. Drawing

1.1 Scribbling

We learn to draw as we
Scribble scribble
Don't get annoyed as we are learning
To draw lovely shapes and do the
painting

Together we Play, we Do and Learn
A good compliment we do earn
We learn to draw as we
Scribble scribble

My Activity

[◆] Ask the children to scribble as they like. Make them draw the outlines of circles, triangles and squares as they scribble. Some shapes should be coloured as shown above.

• Creating shapes after scribbling

• Coloured pencils, coloured crayons, coloured pens, sketech pens

- ◆ Ask the children to scribble as they please. After that ask them to place dots at appropriate places and ask them to create new shapes as shown above.
- ◆ Children could be asked to scribble with the help of coloured pencils, crayons, coloured pens, sketch pens etc.

1.2 Fun with dots

Join the dots with the sequence of numbers

Join as many dots as you want to form different shapes and colour them

My Activity

[•] Instruct the children to join the dots according to the number sequence and observe the new picture that is formed. The children should be asked to guess the name of the shape.

Instruct the children to place random dots and join them as they place. Some new shapes will be formed. Ask the children to colour some of the shapes.

1.3 Fun with Lines

[◆] Different types of lines have been given. Children should be asked to practise these lines and create different shapes with the help of these lines.

1.4 Imprinting and Pasting

• Imprints of Leaves

• Imprints of rough surfaces

• Pasting (Collage)

- ◆ Instruct the children to take leaves of different shapes and sizes and apply water colour to the lower rough surface of the leaf. Press that portion on a paper to form imprints.
- ◆ Place any rough textured object under a thin sheet of paper (eg.-coin, jute cloth, wall, tree trunk) Textured impressions can be created by rubbing a coloured Pencil or an oil pastel on it.
- Draw a simple outline of any fruit or vegetable. Tear a coloured paper into small pieces and paste them in the figure, as shown above to form a collage.

1.5 Simple shapes

• Circle, triangle, square shaped objects

Shapes of familiar objects

• Shapes found in Nature-leaves, flowers etc.

- ◆ Children should be instructed to draw the shapes of different objects using circle, triangle and square as the base. Ask them to observe the simple shapes shown above and create their own shapes using their own imagination.
- ◆ Instruct them to practise drawing some simple shapes of familiar objects as shown above.
- ◆ Ask children to observe and draw different shapes and things found in nature.

My Activity

Some simple shapes drawn by me

[◆] Let the children practise the shapes. Ask them to draw some simple shapes.

1.6 Colouring

Introduction to some colours

Match colours with flowers and fruits

My Activity

- ◆ Ask children to name the colours.
- ◆ Nature is blessed with a variety of colours. Children are expected to get introduced to some of these colours. So they can simply observe colours and relate them to the things of similar colours in nature.
- ◆ Ask children to fill colours of their choice in the shapes given above.

1.7 Copywriting

000000000000000000000000000000000000000

◆ Cultivating the habit of a good handwriting has to be done at a young age. Children should practice the different types of lines that have been demonstrated. It will help them to develop a good handwriting.

1.8 My Pictures

• Children can draw pictures of their own choice in the space provided above.

2. Sculpture

2.1 Paper work

Making a boat

- ◆ Introduce children to different types of paper. eg. Kite paper, glazed paper, craft paper, tinted paper, brown paper etc.
- ◆ Children should fold the paper and paste it according to the instructions given above.

• Making a penstand

- Help the children make a penstand out of old coloured paper.
 Instruct the children to use the articles made by them.

2.2 Clay Work

1. Make a flower with clay balls

2. Roll the clay and make differnt shapes like circle, square and triangle

4. Shapes of fruits

3. Creating patterns on cubes

- ◆ Collect the soil that is easily available in the surrounding. Mix it with water, knead it to form clay. Ask the children to make different shapes.
- ◆ The surface of the clay objects can be given a texture with the help of a pen cap, pen refill etc.

3. Singing

3.1 Rhymes

Cats and Rats were buddys together,

They wished this friendship lasted forever.

The cat and the rat, went for a walk
With loads of fresh fruit, they came back,
Sparrow and the squirrel came one behind the other

All others joined them and it was a get-together

Berries, oranges, apples and sweet lemon All chose to eat the big water melon

Fruits were enjoyed and all were so merry,

The party was over so they rushed home in a hurry.

◆ The children can be asked to sing the rhyme in a simple tune.

3.2 Chorus Song

Each one plant one
each one plant one
To make our planet green (2)
Let's build every nation
Fully stop soil erosion
Happy shall we be
to see the green city

Manage all the garbage
Manage all the garbage
To make our planet clean (2)
One bin for the wet waste
Another for the dry waste
Happy shall we be
To see a clean city

• Make the children sing the above song to the tune of 'Bits of Paper'

3.3 Introduction to Musical Notes

1

Sa re ga ma pa dha ni sa sa ni dha pa ma ga re sa

2

sasa rere g<mark>aga mam</mark>a papa dhadha nini sasa sasa nini dhadha papa mama gaga rere sasa

• Make the children sing all the notes together.

4. Instruments

4.1 Different sounds

Dried pods of the Gulmohar, babul and groundnuts

Dough making vessel, Dinner Plate, bowl etc.

Empty tiffin box

♦ Knowledge about the method of playing a musical instrument is not a mandate. Music can be created by simply hitting on any available object. Such beats create a good harmony with the singer. Children should be encouraged to listen to such sounds.

Kangaroo Jump

Kangaroo Jump

Bird's Jump

Jumping on one leg

◆ Children should be made to observe different movements like kangaroo jump, birds' jump etc. Make them perform the same movements in a rhythmic pattern.

5.5 Dance Drama

• Dramatic Performance of the song

All the birds in a certain bower

Chose to go for a complete make over

So they just decided to exchange

Clothes with each other for a change

The snow white cloak of the crane

Was put on the crow's body frame

He looked really smarter

And walked around like a doctor

The cock felt he was very strong

And grabbed the peacock's feathers long

But the poor fellow found it tough

To walk around with the heavy stuff

The poor little sparrow

Was filled with sorrow

Exchanging with partner was hard to decide

She wore her brown feathers all with pride

Make the children perform the song with the help of dramatic performances.

6. Drama

6.1 Introduction to Acting

Demonstration of the Actions

Sleeping

Eating
